

BEHIND THE HEADLINES PROJECT

- Find other stories about the same story
 - Then, prepare a 3-5 page summary, comparing them and give historical background for the event
 - Look at sources from all over the world to see how the story is covered
 - If it's the same exact story, mention that (cut and paste news)
 - See how coverage varies
 - What information do they have and what information don't they have?
 - If one page only has an abstract of a longer article, discuss what information they may be hiding from the public?
- A) Alternative coverage of the story from other media sources;
B) Provide the historical background of the topic;
C) Any observations/analysis you feel are important to know.

What Information Does It Have?

What Information Does It Not Have?

Is it Cut and Paste News or an abstract of a longer article?
